“Suicidal individuals—with or without a terminal illness—typically do not want to die; they want to escape what they perceive to be an intolerable situation, and they inaccurately believe that suicide is their only way out. The patient requesting assisted suicide is often asking, ‘Does anyone want me to be alive, or care enough to talk me out of this request and support me through this difficult time?’” USCCB Secretariat of Pro-Life Activities, “Every Suicide is Tragic” usccb.org/every-suicide-tragic
